

T E X A S

Master
Naturalist™

Join the North Texas Chapter of the Texas Master Naturalist™ program.

Applications being accepted September 15th through November 15th.
Classes begin February 1, 2022.

What is a Master Naturalist?

A community of volunteers dedicated
to caring for our natural resources.

Why become a Master Naturalist?

Connect with a community of
people that enjoy nature and the
outdoors.

Help others love and value our
natural environment.

Make new friends and discover
many wonderful prairies, forests,
aquatic areas, nature centers, and
parks you don't even know exist.
